# Our Business Groups & Businesses

## POLYMER SOLUTIONS

Orbia's Polymer Solutions business group and businesses Vestolit and Alphagary provide polyvinyl chloride (PVC) general resins, specialty resins, compounds and additives for vinyl compounds, including stabilizers and plasticizers. The group also provides compounds formulated from polyolefin (PO), thermoplastic polyurethane (TPU) and thermoplastic elastomer (TPE) polymers. Products made from these materials have a wide variety of applications to everyday life, from pipes and cables to household appliances to medical devices. The business group supplies Orbia's downstream businesses and a global customer base. To learn more, visit [vestolit.com](https://vestolit.com) and [alphagary.com](https://alphagary.com).

## BUILDING & INFRASTRUCTURE

Orbia's Building & Infrastructure business Wavin is advancing life around the world by building healthy, sustainable environments. Wavin is a water-focused innovator delivering solutions for safer drinking water supply, sanitation, and urban water resilience. The company also invests in indoor climate solutions. To learn more, visit [wavin.com](https://wavin.com).

**wavin**

## PRECISION AGRICULTURE

Orbia's Precision Agriculture business group and business Netafim's leading-edge irrigation systems, agricultural and greenhouse projects, services and digital farming technologies enable stakeholders to achieve significantly higher and better-quality yields while using less water, fertilizer and other inputs. By helping farmers worldwide grow more with less, the business group is contributing to feeding the planet efficiently and sustainably. To learn more, visit [netafim.com](https://netafim.com).

**NETAFIM™**

## CONNECTIVITY SOLUTIONS

Orbia's Connectivity Solutions business group and business Dura-Line produces more than 500 million meters of essential and innovative infrastructure per year to bring a world's worth of information everywhere. The business group produces telecommunications conduit, cable-in-conduit and other HDPE products and solutions that create physical pathways for fiber and other network technologies—connecting cities, homes and people. To learn more, visit [duraline.com](https://duraline.com).

**dura-line**

## FLUORINATED SOLUTIONS

Orbia's Fluorinated Solutions business group and business Koura provides fluorine and downstream products that support modern, efficient living. The business group owns and operates the world's largest fluorspar mine and produces intermediates, refrigerants and propellants used in automotive, infrastructure, semiconductor, health, medicine, climate control, food cold chain, energy storage, computing and telecommunications applications. To learn more, visit [kouraglobal.com](https://kouraglobal.com).
