Orbia announces the pricing of its senior notes offering due 2030 and 2035 in international markets

Mexico City, May 1, 2025 — Orbia Advance Corporation, S.A.B. de C.V. (“Orbia”) (BMV: ORBIA*), announces that it has priced the offering (the "International Offering") of its 6.8% and 7.5% Senior Notes due 2030 and 2035, respectively (collectively, the "Notes"), in the United States to qualified institutional buyers (“QIBs”) in compliance with Rule 144A of the U.S. Securities Act of 1933, as amended (the “Securities Act”), and to persons other than U.S. persons outside the United States in compliance with Regulation S. Orbia expects that the proceeds from the sale of the Notes will be approximately US\$1,100,000,000. The proceeds of the Notes are expected to be used to pay the purchase price of the 1.875% Senior Notes due 2026 in connection with the tender offer carried out pursuant to the offer to purchase dated April 25, 2025 (as amended by the press release dated April 29th, 2025), and any remaining funds will be used for general corporate purposes and the refinancing or repayment of its indebtedness, including the possible repayment of a portion or all of the outstanding 4.000% senior notes due 2027.

The International Offering was made outside of Mexico exclusively under the terms and conditions set forth therein. This relevant event does not constitute a public offer to purchase or a solicitation of an offer to sell or purchase any securities of Orbia or its affiliates. This relevant event is not exhaustive of the terms and conditions of the International Offering. Orbia made no recommendation regarding the International Offering. Neither the International Offering nor any documents related thereto have been filed with, or have been approved or reviewed by, any securities commission, including the Mexican National Banking and Securities Commission (*Comisión Nacional Bancaria y de Valores*), or any federal or state regulatory authority in any country. No authority has determined the accuracy or adequacy of the International Offering or any related documents, and it is illegal and may constitute a crime to make any statement to the contrary. The Notes have not been and will not be registered with the National Securities Registry (*Registro Nacional de Valores*) maintained by the National Banking and Securities Commission (*Comisión Nacional Bancaria y de Valores*) and may not be publicly offered in Mexico. Prospective investors were advised to carefully read the offering memorandum or any related documents before making a decision regarding the International Offering.

Furthermore, this relevant event and the information contained herein are not an offer of securities for sale in the United States and may not be viewed by persons within the United States or transmitted to U.S. persons within the meaning of Regulation S under the Securities Act, except to QIBs. The Notes will be offered only to QIBs in accordance with Rule 144 A under the Securities Act and to persons outside the United States in compliance with Regulation S. The Notes have not been registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent an effective registration statement or an applicable exemption from registration requirements or in a transaction that is not subject to the registration requirements of the Securities Act or any state securities laws.
